

VanLogik Photo and Signature Capture

FOODLOGIK

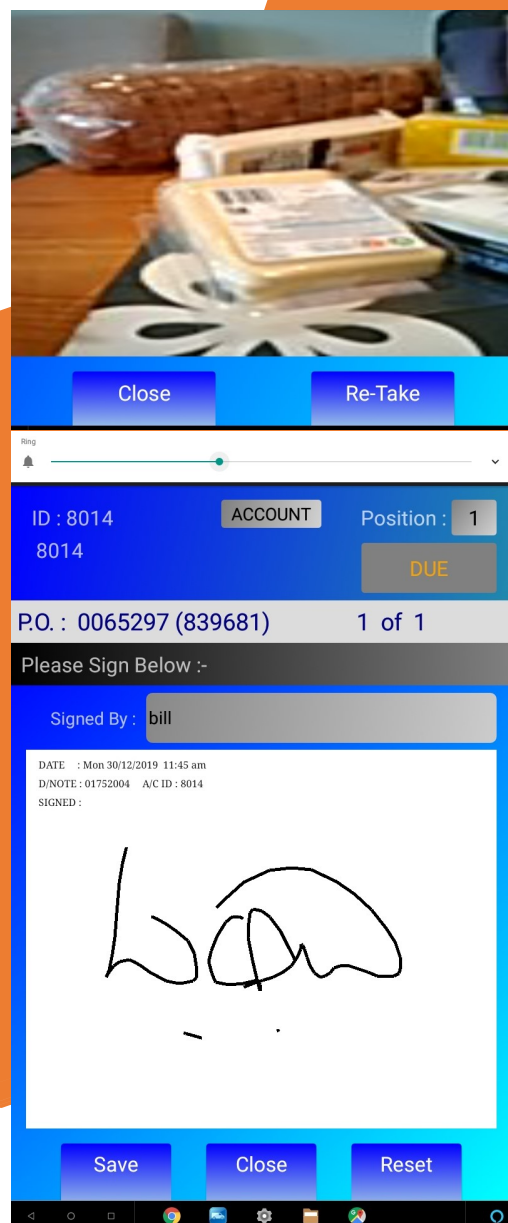

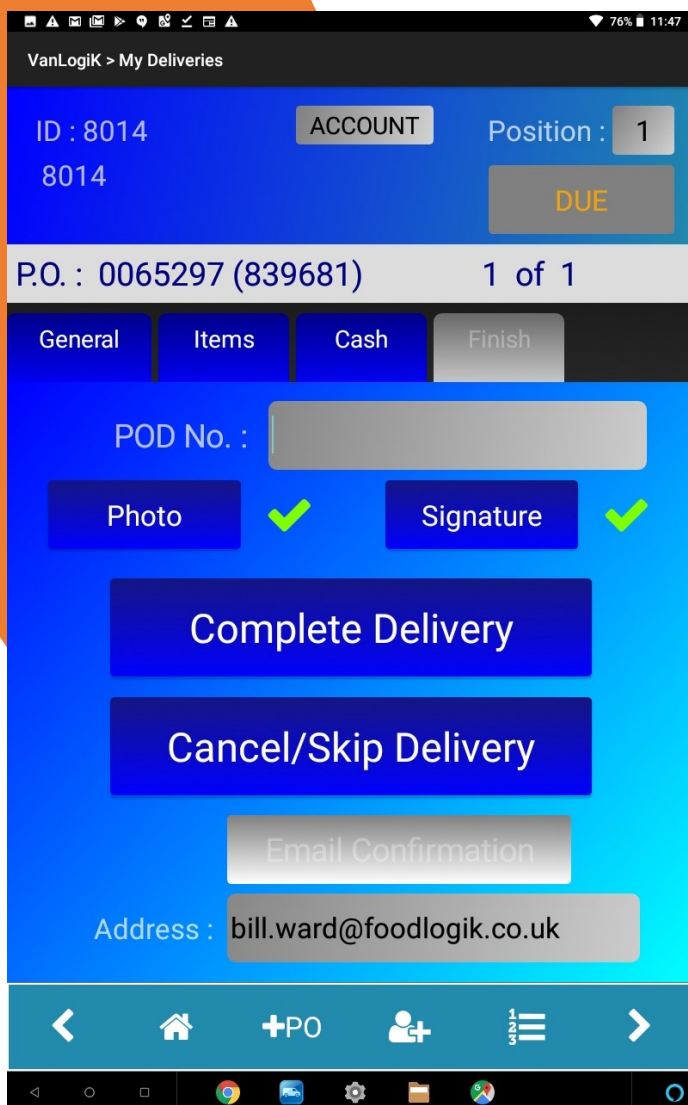

FOOD SOFTWARE SOLUTIONS

A part of the Affinitus Group **AFFINITUS**
SOFTWARE SOLUTIONS

FL

How often have you needed backup evidence that your delivery actually got there, on time and in good condition?

The signatures and/or photos captured on the tablet are uploaded to the Foodlogik database during the normal end of day update, so they can be viewed or printed as evidence of delivery in good condition, even if the customers' premises were shut and no staff were available to sign.
